CONFIRMING QSO ON 15 02 69 AT 2331 GMT WITH W9YT

RST 599 BAND 14 MHz A1 A3 F3 DSR 2xSSB

THANKS FOR CONTACT —73! Keith

QSL VIA SRAL, BOX 306, HELSINKI W/NC

HAMINA (10,000) a frontier fortress, an old garrison and sea town from the baroque period. One of the rare towns in the whole world with a circular city plan. In Hamina you can visit the house where Empress Catherine the Great of Russia and King Gustavus III of Sweden and Finland negotiated in 1783. The town has an important paper industry and a deep-water harbor.
